New ITE Toronto Section Logo and Look

Since the ITE Toronto Section Logo Contest launched, we have received a number of great entries of creative logos to represent our section. Among all the logo design entries, Gerry Forbes' design was chosen as the winner. The logo was revealed in our Spring Luncheon 2010 along with the award presentation to Gerry.

He has also redesigned our newsletter. We thank everyone for your interests and those that participated in the logo contest. ●

Upcoming Events

Downtown TTC Streetcar Tour, Wednesday, June 16, 2010 7:15 p.m.

On Wednesday, June 16, 2010, the Toronto Section will be hosting an evening downtown streetcar tour with the tour taking place on one of TTC's historic PCC cars. TTC historian Scott Haskill will be leading the tour and Tim Lawson will add some background about transit signal priority in the City.

The tour starts and ends at Richmond Street and York Street, at the Sheraton Centre Toronto Hotel and will travel along the attached route. We will meet and then board together from a downtown location at 7:15 p.m. For those who are able to gather ahead of time, we'll be meeting for dinner somewhere nearby (at your own cost).

The tour costs are being covered by the section, but admission donations will be collected for the **Dr. Michel Van Aerde Memorial Transportation Scholarship** – a minimum of \$5 for members and students and a minimum of \$10 for non-members.

Space is limited, so please reserve your seat with our Activities Coordinator, **Angela Gibson** (angela.gibson@york.ca) or 905-895-2744 extension 5902. If you reserve a space on the tour and don't come, you'll be charged \$10 to be directed to the CITE scholarship fund. ●

ITE Toronto Section / Hamilton / Southwest Ontario Sections Spring Luncheon and Transportation Sustainability Seminar, Wednesday, April 21, 2010

A joint Toronto, Hamilton and Southwest Section Spring Luncheon/Seminar was held on April 21, 2010, at the Four Points Sheraton Hotel on Airport Road in Mississauga on the topic of Transportation Sustainability. The event was also an opportunity for ITE members to personally meet the ITE International Vice President candidates: Troy Peoples, Ray Davis, and Rock Miller. The seminar provided insight into the existing and future TDM measures being implemented at York University, the planning and rationale used in determining the Long Term Transit Strategy in Durham Region, and the bold plans for redevelopment in Uptown Waterloo. On behalf of the Toronto Section, we would like to express our appreciation to Nicole Arsenaault of York University, Phil Meagher of Durham Region, and Rob Trotter of the City of Waterloo for presenting. ●

In Memoriam of Bryan Haigh by Julia Salvini

On May 8, 2010, our ITE community lost a valued member with the sudden passing of Bryan Haigh of Read Voorhees and Associates. I had the pleasure of working with Bryan on a number of projects over the past fifteen years. He was a great colleague, a creative problem-solver, and a thorough and patient teacher. Bryan loved working in the transportation field -- you could hear it in his voice and see it in his face as he spoke enthusiastically about his work. He will be deeply missed. Bryan's family have set up a memorial website where you can sign an online guestbook or share your memories.

ITE Contact Information

If you or one of your colleagues are not receiving the monthly ITE Journal, the quarterly CITE Transportation Talk, periodic web communication correspondence from CITE, and/or the ITE Toronto Section Newsletters, then the contact information we have may not be up to date in our respective databases. ITE International, CITE and the ITE Toronto Section

maintain separate membership databases. Every effort is made to keep the three databases “in agreement”; however, there are instances where changes in membership have not been instituted across the databases.

For ITE Journal, Invoicing and other ITE international correspondence, Transportation Talk, and the Web Communications Centre, your current contact information can be viewed and changed at www.ite.org under the “my profile” tab on the left side. It provides information on what your login and password are based on your ITE membership number and name.

For ITE Toronto Section Newsletters, your current contact information can be checked with our Membership Coordinator **Matthew Davis** at matthew.davis@IBIGroup.com. The ITE Toronto Section distributes their correspondence solely by e-mail. If you are receiving the Toronto Section newsletters and your e-mail contact information is correct, then there is no need to confirm mailing address information. ●
